5. [] met with Messrs. John Martiny and Richard Barton, House Post Office and Civil Service Committee staff, and reviewed with them the present Committee considerations relating to the upcoming hearings on "invasion of privacy of Federal employees" type legislation. It was agreed that an interim response to Chairman Hanley's letter to the Director of 1 April might be in order which would include a positive statement of the need for Agency exemption from such legislation. Mr. [] and Mr. Barton will get together on 26 April when Mr. Barton plans to be back from a trip out of the city with Chairman Hanley to schedule a meeting with Chairman Hanley for later that week.

6. [] Received a call from Helen Staples, in the office of Representative Herman Schneebeli (R., Pa.), who requested brochures on the Central Intelligence Agency in reply to a constituent's request. Pamphlets were sent out.

7. [] Delivered to the offices of Senators Edward Kennedy (D., Mass.), George Aiken (R., Vt.), George McGovern (D., S. Dak.), Abraham Ribicoff (D., Conn.), Stuart Symington (D., Mo.), Edmund Muskie (D., Me.), Frank Church (D., Ida.), Mike Mansfield (D., Mont.), Henry Jackson (D., Wash.), John Sherman Cooper (R., Ky.), Henry Bellmon (R., Okla.), J. W. Fulbright (D., Ark.), and Representatives Charles Wilson (D., Calif.), and John Anderson (R., Ill.) FBIS items in which their names were mentioned.

8. [] Delivered employment brochures to Mary Flanagan, in the office of Representative Walter Flowers (D., Ala.).

9. [] Robert Hull, Department of State, called to discuss several legislation items of mutual interest: the Ervin bill and retirement (funding, benefits and cost-of-living). See memo for record for details.

The Secretary of State has received a request to testify before the Hanley Committee after Easter recess, but it is possible that William Macomber, Deputy Under Secretary, will appear instead. In response to Mr. Hull's question, I suggested that he contact Chairman Hampton's office, Civil Service Commission, to check with CSC and OMB to get a reading on the Administration's position on the bill this year.

10. (Internal Use Only - JGO) Messrs. John H. Martiny, Theodore J. Kazy, Richard A. Barton, and Robert Lockhart, House Post Office and Civil Service Committee staff members, visited the Agency for briefing on Agency personnel management and policies. See Memorandum for the Record.

11. (Unclassified - JGO) Received a call from Mrs. Mary Flanagan, in the office of Representative Walter Flowers (D., Ala.), who asked for a set of application forms and a professional brochure for a constituent who is interested in possible Agency employment. The forms and brochure will be forwarded to Representative Flowers' office.

12. (Unclassified - LLM) Mr. Bob Young, of the Washington Bureau of the Chicago Tribune, called and asked if the appointment of the Director was subject to Senate confirmation and I told him that that office as well as the office of the Deputy Director were Presidential appointments with the advice and consent of the Senate. In a response to my inquiry as to what may have prompted his interest, Young said it was to resolve disagreement in an office discussion that only approval of the Chairman of the Senate Armed Services Committee was involved and he said there were gaps in their office files on this subject. Mr. Jake Goodwinⁱⁿ was advised and confirmed that Young was with the Chicago Tribune office here and recently replaced Mr. Younger. STATINTL

25X1 5. [] Picked up from the Senate Preparedness Subcommittee a copy of "Weekly Summary, Special Report--Implications of the 1968 Soviet Military Budget" dated 17 November 1967, for destruction since this has served the Subcommittee's purposes.

25X1 6. [] Dale Sutherland, in the office of Senator Abraham Ribicoff (D., Conn.), called to request two map folios (Communist China Map Folio, 1967; and Communist China Administrative Atlas, 1969).

25X1 7. [] Talked to Mr. James Lowenstein, Senate Foreign Relations Committee staff, and told him that the questions forwarded on Senator Muskie's (D., Me.) briefing presented somewhat of a problem. In essence, the questions related directly to the substance of the Director's briefing of the Muskie Subcommittee on 29 March and would seem to be fairly completely covered in the Director's briefing. Mr. Lowenstein indicated that he was somewhat embarrassed and that he had not read the questions but had forwarded them on to us when they were received on Friday. The questions will be returned to Mr. Lowenstein tomorrow morning for his review. Mr. []
25X1 [], DDI, has been advised. 25X1

25X1 8. [] I talked to Colonel James Taylor, Chief of the Legislative staff, Air Force LL, who told me that Mr. Fred J. Buzhardt, General Counsel, DOD, is handling all queries on behalf of the Department of Defense relating to files maintained on private individuals and availability of files to the public. Mr. Houston, OGC has been advised.

25X1 9. [] Talked to Mr. John Martiny, Chief Counsel and Staff Director, House Post Office and Civil Service Committee, and received from him the names of the staff personnel who will be accompanying him for briefing on Agency personnel organization and management at the Headquarters building on Wednesday, 7 April. Accompanying Mr. Martiny will be: Messrs. Victor Smiroldo and Robert Lockhart, who will be working directly with Mr. Martiny during the coming year on legislation; Mr. Bun Bray, Associate Staff Director; Messrs. William Irvine and Theodore Kazy, Minority Counsels; and Mr. Richard Barton, Staff Assistant, Employee Benefits Subcommittee, which will be handling the Ervin Bill hearings starting after Easter.

25X1 10. [] Talked to Miss Edith Wilkie,
Staff Assistant to Representative Ogden Reid (R., N. Y.), who told
me that Representative Reid will not be traveling to Europe until
the 14th or 15th of the month (if at all). She also noted that
Representative Reid is away from the City and will not be returning
until the first of the week. See Journal of 29 March 1971. Mr. []

25X1 11. [] Received a call from Mr. James Lowenstein,
Senate Foreign Relations Committee staff, who requested an additional
copy of "Aid and Trade Activities of Communist Countries in Less
Developed Areas of the Free World - 1970" for use by the Committee.
A copy was forwarded during the morning.

25X1 12. [] Met with Mr. Richard Barton,
Employee Benefits Subcommittee, House Post Office and Civil Service
Committee, who gave me a letter for the Director from Chairman
Hanley concerning Committee hearings on the Ervin Bill to be
scheduled after the Easter recess. Mr. Barton told me also that
there is no present consideration being given to introduction of the
"Henderson Draft Bill" that was considered during the last session
as a substitute for S. 782. He also indicated that he expected that the
Committee would be quite flexible in scheduling time for the
convenience of the Director.

25X1 13. [] Met with Mr. Frank Slatinshek,
Assistant Chief Counsel, House Armed Services Committee, and
discussed with him the matter of handling items of legislation such
as the updating of cost-of-living provisions in the Agency retirement
system. Mr. Slatinshek agreed that it could be to the benefit of the
Agency and the Armed Services Committee to handle such an item as
retirement cost-of-living in general legislation handled by the House
Post Office and Civil Service Committee but this would result in
relinquishment of legislative oversight of the Agency and its programs.
This could limit the Chairman's ability to intercede on our behalf in
the event some other general legislation which was not to our liking
should be considered by the Post Office and Civil Service Committee.

25X1 7. [] Met with Mr. Richard Barton, House Post Office and Civil Service Subcommittee on Employee Benefits, who told me that the Subcommittee has decided to hold hearings on the Ervin Bill, S. 782, passed by the Senate during the last session of Congress. The hearings will start soon after the Easter recess. Mr. Barton also told me that Representative Hanley (D., N. Y.) will be forwarding a letter to the Director tomorrow or Monday advising the Director of the hearings.

25X1 8. [] Confirmed with Mr. John Martiny, Chief Counsel and Staff Director, House Post Office and Civil Service Committee, shifting of the briefing scheduled for Monday, 5 April, for members of the Committee staff to Wednesday, 7 April. Mr. Martiny will advise me later which staff members will be coming with him.

25X1 9. [] Accompanied Dr. Edward Allen, D/OER, to a meeting with Mr. James Lowenstein, Senate Foreign Relations Committee staff, and delivered to Mr. Lowenstein a study entitled "Aid and Trade Activities of Communist Countries in Less Developed Areas of the Free World - 1970." Mr. Lowenstein was visibly impressed by the study and asked if it might be possible for the Committee to do a 10 or 12 page unclassified summary of the major findings for review by the Agency prior to publication. Dr. Allen agreed that such a summary should be entirely permissible and that we would be pleased to expedite a review of the study upon completion.
